STRIKE - LITERALLY WHAT?

The term "strike" means to remove something from stage. When your director asks you to strike something just take it off stage. Test your students!

NORTH SHORE SHOUTOUTS

Today's shoutout goes to Sophia !! Sophia has been always on top of her cues and is always acting at 100% when we see her on stage! Great job Sophia!

Go Lions!

General Notes

We broke out into our separate rooms, we had music going in 202 with Aaron K and scene work with Aaron B in 208. At the top of the day we worked through music with the quartet. In room 208, Harold Hill and the Paroo family delved into character relationships and histories in scenes 5 and 6. In the later half of rehearsal we dove into music with Harold and Marian separately and together. More of our youth ensemble joined blocking in room 208 for scene 2. Our youth understudies got the opportunity to read as well! Overall a very productive and focused rehearsal!!
